ADITYA KUMAR SAHOO

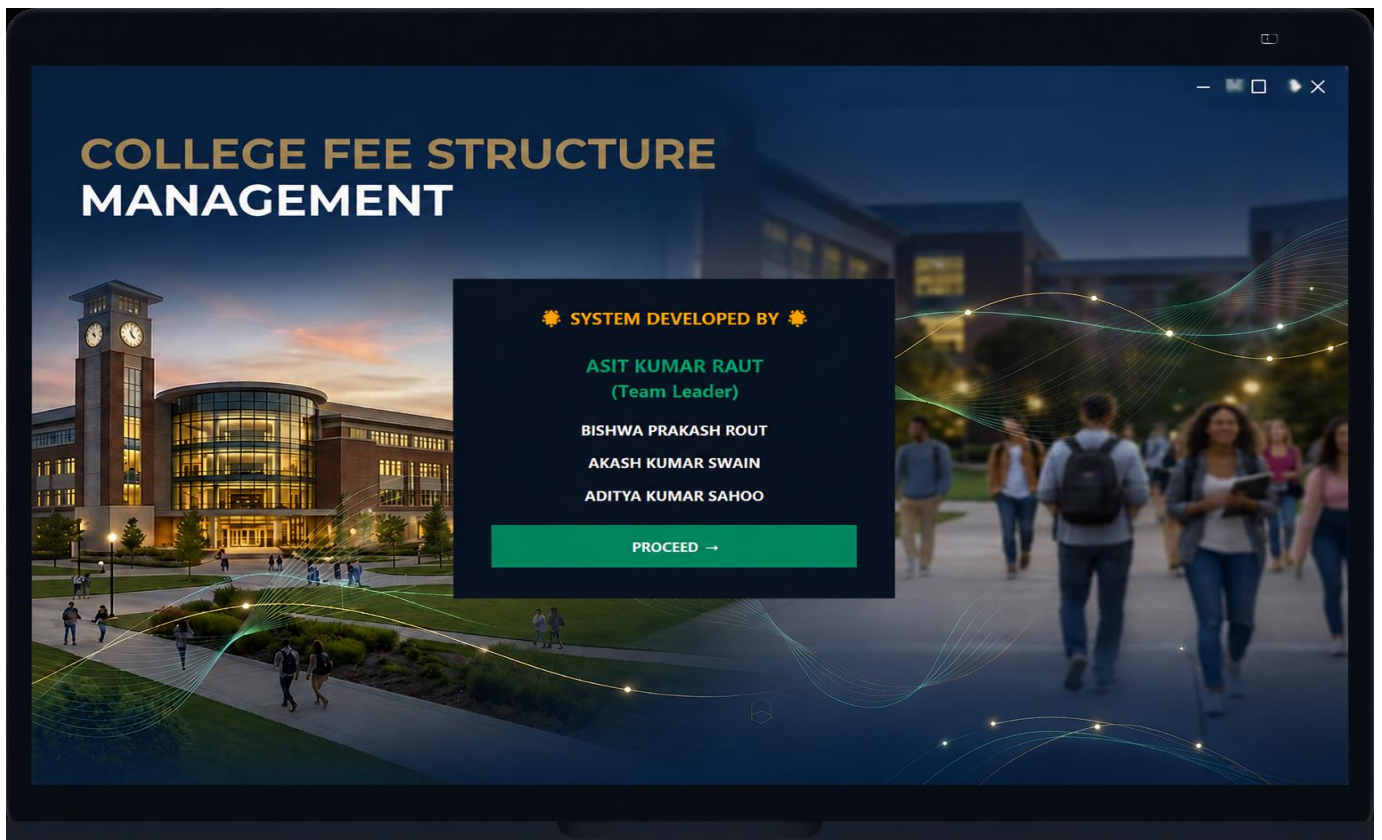

AKASH KUMAR SWAIN

About: A desktop application built with Python (Tkinter) and MySQL to manage student academic fees.

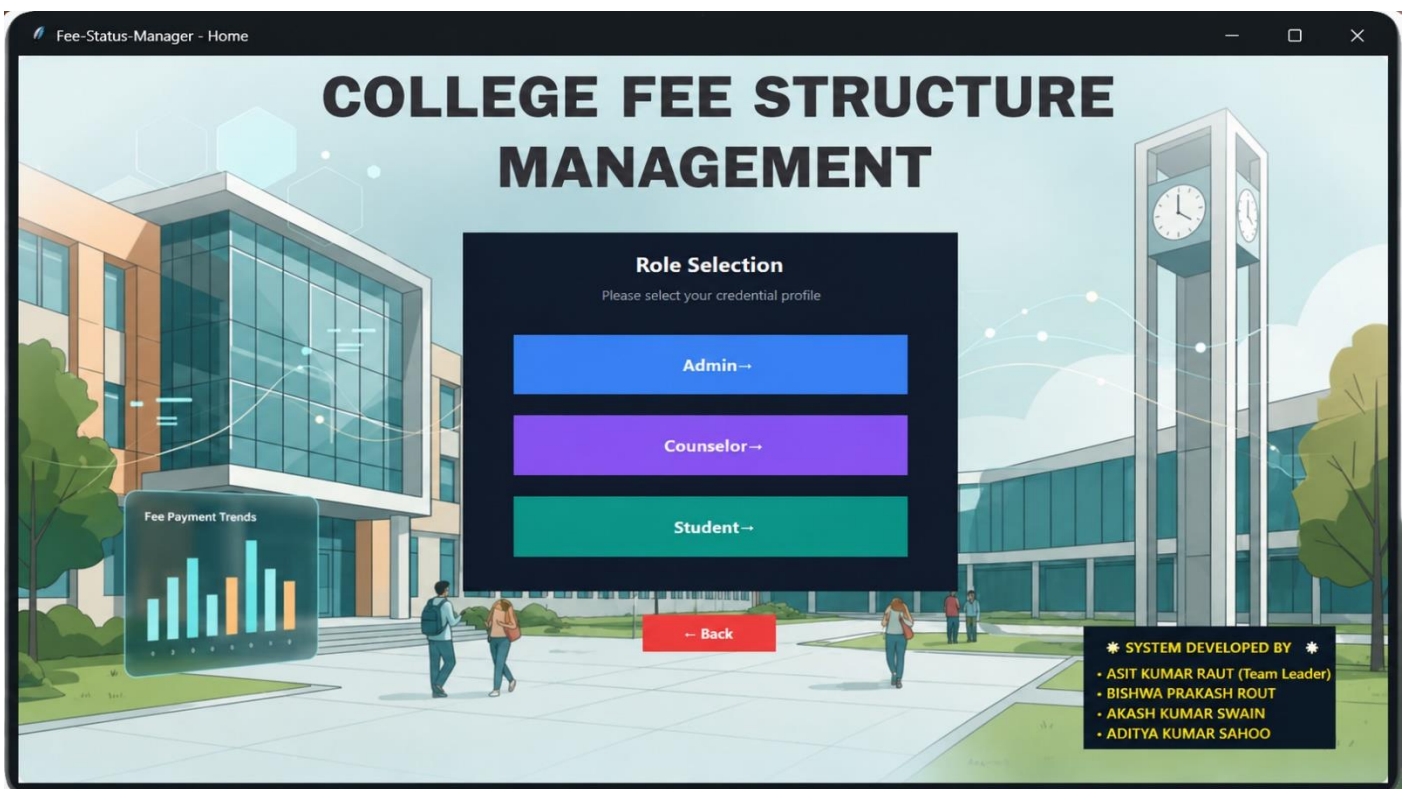

Key Features:

- **Multi-Role System & Authentication:** Secure, separate portals for **Administrators, Counselors, and Students**.
Access Authorization: Users with "Pending" status are blocked from logging in until explicitly approved by an Admin.
- **Administrative Controls:-Dual Approval Pipelines:** Accept or reject pending Counselor and Student registrations.
Academic Fee Control: Search student profiles and perform modifications like logging new payments or adjusting balances via fee deductions.
Feedback Management: Dedicated hubs to view student feedback logs and counselor mistake adjustment reports.
- **Counselor Operations:-Payment Registration:** Log payments on behalf of students by specifying amount, mode, and UTR number.
Fee Category Tracking: Access filtered lists of "Fully Paid" and "Pending Fee" students.
Report Collections: Monitor real-time income statistics by time intervals and transaction modes.
- **Student Self-Service Portal:-Real-time Fee Summary:** Visual indicators showing Total Academic Dues, Total Paid (Online vs. Offline breakdowns), and remaining Pending Balance.
Payment Log History: Tabular layout showing transaction IDs, dates, payment modes, amounts, and UTR references.
Feedback Submission: Direct form to submit issues and feedback to the administrator.
- **Data Verification & Input Validation:** Validates phone numbers (10 digits) and academic enrollment years.
Automated unique Admin ID generator.
Preventative checks blocking transaction logging if it exceeds the remaining student dues.
Forces entry of a UTR reference when selecting "Online" payment mode.
- **Business Intelligence Reports:** Summarize collection data by timeframe (1 day, 7 days, 30 days, 1 year).
Filter collection calculations by payment channel (Online, Offline, Total).
- **Interface & UX Enhancements:** Clean Segoe UI typography, grid layout structures, and visual status cards.
Smooth hover animations on navigation buttons and color-coded status highlights (green for fully paid, red/yellow for pending).
- **Secure Profile Recovery:** Independent password update/reset modules for Admin, Counselor, and Student accounts.

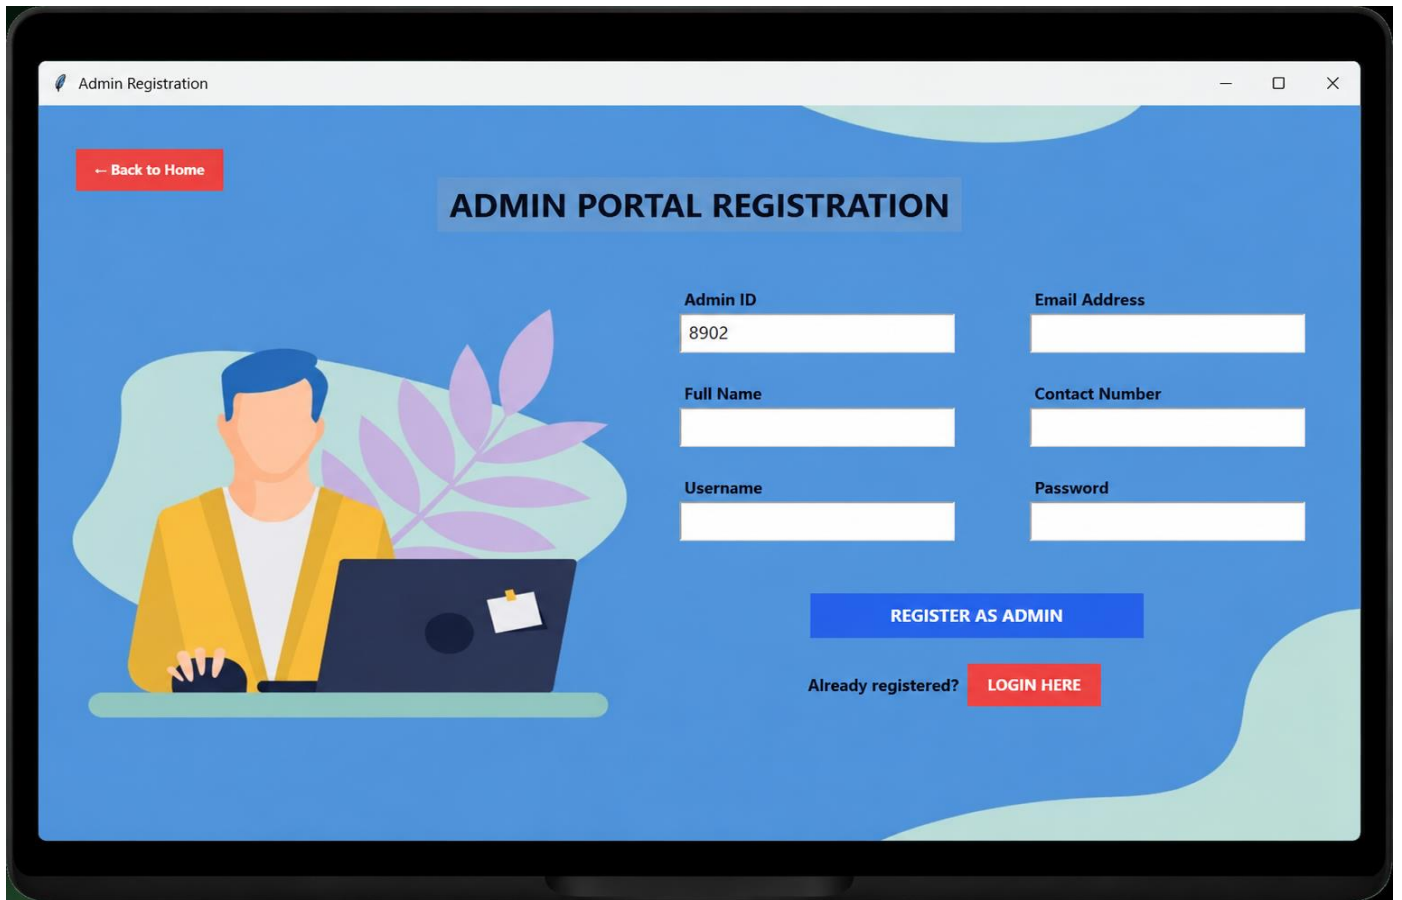

HOME SCREEN

MAIN SCREEN

ADMIN REGISTRATION SCREEN

The Admin Registration screen is displayed within a browser window titled "Admin Registration". It features a blue background with a stylized illustration of a person in a yellow jacket working on a laptop. The registration form includes fields for Admin ID (pre-filled with 8902), Email Address, Full Name, Contact Number, Username, and Password. A "Back to Home" button is in the top left, and a "REGISTER AS ADMIN" button is centered below the form. A link for "Already registered? LOGIN HERE" is at the bottom right.

STUDENT REGISTRATION SCREEN

The Student Registration screen features a light blue header with the title "Student Registration". A red button labeled "Back to Home" is in the top left. The main content area is divided into two columns of form fields. The left column contains text input fields for "Student ID", "Full Name", "Username", "Phone Number", and "Email ID". The right column contains dropdown menus for "Course" and "Academic Year", and text input fields for "Semester" and "Password". A green "REGISTER STUDENT" button is centered below the form fields. Below this button are two links: "Already registered?" and "LOGIN HERE". The right side of the screen is decorated with a colorful illustration of a woman in an orange sweater holding a large blue book, a man in a blue shirt, a woman in a purple shirt, a blue alarm clock, and a yellow paperclip.
